### Objective

I am seeking a job in a post-production house to further improve my knowledge in a professional working environment, with the goal to expand into the role of a Technical Director.

### Current Situation

I am working as a multimedia freelancer for more than 4 years. My work comprises coding for the web (HTML, CSS, Javascript, PHP), 3D modelling and animation, video shooting and CD/DVD Production.

### Skills

I have been working with the following 3D and video applications:

- Autodesk Maya
- SideFX Houdini
- Adobe Photoshop
- Adobe After Effects
- Adobe Premiere Pro
- Adobe Encore DVD

### Education

In September 2003 i have graduated in the field of computer science at the friedrich-alexander university in erlangen.

In 2005 i have taken the „Mastering Maya: The Fundamentals“ course at 3DBuzz.com.

In 2006 i have taken the „Mastering Maya: Advanced Modeling“ course at 3DBuzz.com.

### Experience

In February 2007 i did 2 weeks working experience at The Mill London and got involved with the Comfort animated campaign.
